Roxanne: glamorous, self-confident, with a secret lover -- a married man Maggie: capable and high-achieving, until she finds the one thing she cant cope with -- motherhood Candice: honest, decent, or so she believes -- until a ghost from her past turns up At the first of every month, when the office has reached its pinnacle of hysteria, Maggie, Roxanne, and Candice meet at Londons swankiest bar for an evening of cocktails and gossip. Here, they chat about whats new at The Londoner, the glossy fashion magazine where they all work, and everything else thats going on in their lives. Or almost everything. Beneath the girl talk and the laughter, each of the three has a secret.
